OLD STREET (3 mins)
Take exit 4, walk down City Road (south towards City), take first left into Leonard Street, then first right into Tabernacle Street, and we're just on the right.

MOORGATE (10 mins)
Walk up City Road heading north (away from City), and after 5 minutes walking take right into Epworth Street, then first left into Tabernacle Street. We are then a little way up on the left.

S#*t!... I'm late!!

TAXI

Taxis will find us easily. Tabernacle Street is one way and we are on the left nearer the top the street just before Leonard Street crosses.
